BOILER (HRSG/PACKAGE) TECHNICAL (MECHANICAL) ENGINEER

We have new contract with CCT (Italy) for manufacturing of mechanical parts of 3 X 80 t/hr package boiler and I'm working on their drums and stacks projects for checking of detail drawings and Dimensional & Assembly Inspections. MASBA CO. have had contract with DOOSAN CO. for manufacturing of mechanical parts of HORIZ. HRSG (6 units, two pressures-2G.T./2HRSG/1S.T.). I was working on drums and stacks (DOOSAN CO.) drawings and found mistakes and/or difficulties for manufacturing of dwg.'s, help our sub-contractors and answer their questions and parallel, I am inspector of these projects in tehran and inspector of erection at site (FARS CCPP).
